Wonder Chopper

Free Your Hands and Easily Cook

SK-06009

[Powerful 250W Motor] -This electric chopper has a very powerful motor.
[0.7L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-YM-7041

[Powerful 200W Motor] -This electric chopper has a very powerful motor.
[0.6L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SM-400

S blade design make perfect chopper effect.
 Micro switch can control the chopper level easily.
 6Layer stainless steel blades
 Change-speed gear box, smooth running, low noise and strong chopping.
 Material of the bowl: plastic
 Capacity: 0.5L Speed: 1Speed

SK-03019

[Powerful 950W Motor] -This electric chopper has a very powerful motor.
[2.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7038

[Powerful 1000W Motor] -This electric chopper has a very powerful motor.
[2.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7039

[Powerful 1000W Motor] -This electric chopper has a very powerful motor.
[2.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7019

With 4 sharp blades of type 04 S.S 402 for quick
 Provided with large bowl of 2.0 Liters
 Easy to clean as all its parts are detachable
 Easy to use with elegant design
 Made of Glass

HL-08A

[Powerful 500W Motor] -This electric chopper has a very powerful motor.
[1.5L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

LB-7004A

4 Layer stainless steel blades
 Thickened glass chopper bowl, healthy and easy cleaning.
 Change-speed gear box, smooth running and strong chopping.
 Capacity: 2L
 220-240V-50/60Hz 600W

SK-7006

[Powerful 300W Motor] -This electric chopper has a very powerful motor.
[2.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7025A

[Powerful 1200W Motor] -This electric chopper has a very powerful motor.
[2.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7026

[Powerful 800W Motor] -This electric chopper has a very powerful motor.
[3.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-YM-7032

[Powerful 800W Motor] -This electric chopper has a very powerful motor.
[3L+0.5L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-YM-7034

[Powerful 800W Motor] -This electric chopper has a very powerful motor.
[3.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-YM-7035

Maximum capacity: 0.6L
 Stainless steel blade for mincing / blending & chopping
 Chopper with safety lock / Easy to clean
 High quality full copper motor with fuse
 Stainless steel motor housing

SK-YM-7036

[Powerful 750W Motor] -This electric chopper has a very powerful motor.
[2.5L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7038

[Powerful 800W Motor] -This electric chopper has a very powerful motor.
[3.0L+0.5L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

LB-7002A

[Powerful 300W Motor] -This electric chopper has a very powerful motor.
[2.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7020

[Powerful 1200W Motor] -This electric chopper has a very powerful motor.
[2.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7030

[Powerful 500W Motor] -This electric chopper has a very powerful motor.
[2.5L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

LB7005A

[Powerful 800W Motor] -This electric chopper has a very powerful motor.
[3.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7011

[Powerful 500W Motor] -This electric chopper has a very powerful motor.
[3.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7027

[Powerful 800W Motor] -This electric chopper has a very powerful motor.
[3.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7028

[Powerful 800W Motor] -This electric chopper has a very powerful motor.
[4.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7015

[Powerful 1800W Motor] -This electric chopper has a very powerful motor.
[5.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-YM-7033

[Powerful 1500W Motor] -This electric chopper has a very powerful motor.
[6.5L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-7088

[Powerful 1500W Motor] -This electric chopper has a very powerful motor.
[8.0L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-666666

[Powerful 2000W Motor] -This electric chopper has a very powerful motor.
[10L capacity] -suitable for large family meals.
[Multifunction Chopper Blender] - [With this electric chopper and blender you can chop and grind various ingredients,
[Easy to Clean and Storage] Compact and Lightweight.

SK-446

Foldable portable health and safety
Separate power cord / Stainless steel heating plate
Safe against dry burning / automatic power-off protection
Intimate handle, ergonomic
Button with LED light

SOKANY®

COFFEE MAKER

A cup of coffee awakens vitality

SK-6862

1.6L detachable transparent water tank
 With safety valve can release pressure automatically
 Die-casting aluminum alloy boiler
 Aluminum alloy filter holder attached
 dual-stainless filter / with overheating and overpressure protected device
 Detachable frothing nozzle and drip tray for easy cleaning

SK-6863

1.6L detachable transparent water tank
 With safety valve can release pressure automatically
 Die-casting aluminum alloy boiler
 Aluminum alloy filter holder attached
 dual-stainless filter / with overheating and overpressure protected device
 Detachable frothing nozzle and drip tray for easy cleaning

SK-6864

1.6L detachable transparent water tank
 With safety valve can release pressure automatically
 Die-casting aluminum alloy boiler
 Aluminum alloy filter holder attached
 dual-stainless filter / with overheating and overpressure protected device
 Detachable frothing nozzle and drip tray for easy cleaning

SK-6865

1.6L detachable transparent water tank
 With safety valve can release pressure automatically
 Die-casting aluminum alloy boiler
 Aluminum alloy filter holder attached
 dual-stainless filter / with overheating and overpressure protected device
 Detachable frothing nozzle and drip tray for easy cleaning

SK-6866

4cups espresso(240ml)
 3.5Bar working pressure for rich taste coffee
 With forthing function for making cappuccino
 Removable & washable drip tray for easy cleaning
 Single knob for function transform and on/off
 Easy control with indicator light / Aluminium alloy filter holder

SK-6868

Power rating: 1560W / Water capacity: 2L
 Transparent removable water tank / 20 bar Pump
 Coffee powder holder receive fresh coffee powder from grinding unit
 Grinding unit can use as bean grinder
 Auto shut off / energy saving Machine
 Espresso coffee machine unit built inside, with bean grinder

SK-6810

4cups espresso(240ml)
 3.5Bar working pressure for rich taste coffee
 With forthing function for making cappuccino
 Removable & washable drip tray for easy cleaning
 Single knob for function transform and on/off
 Easy control with indicator light / Aluminium alloy filter holder

SK-6865

Capacity: 1500ml,10 cups
 Comply ErP2 and Auto shut off
 Anti drip feature
 Permanent filter with handle
 Water level gauge
 Non-stick warm plate and keep warm function

SK-695

Power rating: 1450W / Water capacity: 1L
 Transparent removable water tank
 15bar Pump / Pressure gauge show brewing pressure timely
 Hot water for cup cleaning / Steam for milk frother
 Top warming plate for cup warming
 One-touch control panel with illumination

SK-696B

Power rating: 1450W / Water capacity: 1L
 Transparent removable water tank
 15bar Pump / Pressure gauge show brewing pressure timely
 Hot water for cup cleaning / Steam for milk frother
 Top warming plate for cup warming
 One-touch control panel with illumination

SK-04001

Power rating: 1150-1350W
 Water capacity: 1.2L
 Transparent removable water tank
 Steam for milk frother
 One-Press easy operation
 Auto shut off / energy savi

SK-04003

1000W high-power
 Making Iced Coffee
 Easy to Use with One-Button Operation
 Can be made with coffee capsules or coffee powder
 Machine turns off automatically after 3 min and 30s brewing
 Cool touch housing

SK-04004

850 watts
Stainless steel housing
1.5L detachable transparent water tank
Detachable frothing nozzle
and drip tray for easy cleaning

SK-04005

850 watts
Stainless steel housing
1.5L detachable transparent water tank
Detachable frothing nozzle
and drip tray for easy cleaning

SK-04016

15 bar or 20 bar high pressure pump
Stainless steel housing
1.8 L detachable transparent water tank / 500ml detachable milk tank
With touch screen, automatically for espresso, latte and cappuccino
With volume setting function and cleaning function
Fully automatic milk frothing system / Detachable water tray

SK-04017

20 Bar high pressure pump / 1.5L detachable water tank
Can make Espresso and Cappuccino
With safety valve can release pressure automatically
Die-casting aluminum alloy boiler
With overheating and overpressure protected device
Detachable frothing nozzle and drip tray for easy cleaning

SK-04019

1.0L water tank, 700ML milk tank
20 Bar high pressure pump / Thermoblock heating system
With overheating and overpressure protected device
With safety valve can release pressure automatically
big cup volume for espresso, cappuccino and Latte
Detachable milk tank, water tank and adjustable drip tray

SK-04020

1.6L detachable transparent water tank
With safety valve can release pressure automatically
Aluminum alloy filter holder attached /dual-stainless filter
with overheating and overpressure protected device
Detachable frothing nozzle and drip tray for easy cleaning
steam function

SK-KF-6871

2 in 1 multifunction:
brew with a single serve K-CUP
pod or ground coffee
900ml water container
Adjustable drip tray height

SK-KF-6872

2 in 1 multifunction:
brew with a single serve K-CUP
pod or ground coffee
900ml water container
Adjustable drip tray height

SK-516

Water capacity:0.6L
Transparent removable water tank 19bar pump
ON/OFF main switch
Short Espresso/Long Nespresso with LED in white
Can manually stop or auto stop
With 3 adaptors: Nespresso, Dolce Gusto, Coffee Powder

SK-04010

Turkish coffee maker
700W High Power
Automatic brewing of coffee
Overheat protection function
Detachable drip tray for easy cleaning
Automatic cleaning function

 Removable sealing ring
 Non slip foot pad design
 Stainless steel body / anti scalding handle

SK-2301

Stainless steel body
 Fermentation at constant temperature
 One-key operation is convenient and fast
 Individual cans for a variety of flavors
 The fuselage is separated, easy to clean

SK-2303

Stainless steel body
 Fermentation at constant temperature
 One-key operation is convenient and fast
 Individual cans for a variety of flavors
 The fuselage is separated, easy to clean

SK-2304

Stainless steel body
 Fermentation at constant temperature
 One-key operation is convenient and fast
 Individual cans for a variety of flavors
 The fuselage is separated, easy to clean

SK-08017

Stainless steel body
 Fermentation at constant temperature
 One-key operation is convenient and fast
 Individual cans for a variety of flavors
 The fuselage is separated, easy to clean

SK-07018

FOOD STEAMER, 11L
 Three-layer electric steamer
 3.6L large capacity per layer
 650W high power and fast steam
 One machine with multiple functions

SK-2012

Three-layer electric steamer
 12L large capacity per layer
 800W high power and fast steam
 One machine with multiple functions

SK-273BG

2000W high power
Easy to clean
Heat conduction is fast and uniform
Light smoke, no oil, healthy barbecue
Adjustable sudden jump temperature control

SK-6112

1500W high power
One meter long plug
Heat conduction is fast and uniform
Light smoke, no oil, healthy barbecue
Adjustable sudden jump temperature control

SK-3572

Anti-scalding handle
Switch knob for easy operation
Independent temperature control
Easy-to-clean non-stick bakeware

SK-3573

Cool touched stable plastic housing
Adjustable thermostat with indicator light
Chromed grill grid
Removable heating element for easy cleaning
Cooking size: 38.0x21.0cm

SK-3574

Adjustable thermostat with indicator light
Chromed grill grid
Removable heating element for easy cleaning
Power: 2200W
Cooking size: 36.5x19.0 cm

SK-07035

Do not use gasoline or alcohol to burn charcoal
Stainless steel barbecue
Separate design, easy to add carbon
Evenly heated with less oil fume / Easy to clean
Thickened porous carbon container

SK-2208

Hot pot barbecue integrated pot
 Non stick pot coating / Anti scalding handle
 Fast heating
 5 speed temperature regulator
 Bottom heat shield / Design of hidden oil box

SK-6111

Power: 1000W
 BBQ rod: 6pieces
 Heating tube: quartz tube
 The grill heating time: 10-15 minutes

SK-6113

Power: 1500W
 BBQ rod: 8pieces
 Heating tube: quartz tube
 The grill heating time: 10-15 minutes

SK-6114

Power: 1500W
 BBQ rod: 11pieces
 Heating tube: quartz tube
 The grill heating time: 10-15 minutes

SK-07019

Multi-purpose electric heating pot
 Boiler body separation / Visual glass pot cover
 The non stick coating is easy to clean
 Hidden Anti scalding double handle
 Stereo heating plate, evenly heated

SK-2006

Multi-purpose electric heating pot
 Boiler body separation / Visual glass pot cover
 The non stick coating is easy to clean
 Hidden Anti scalding double handle
 Stereo heating plate, evenly heated

RH-288

One click on, easy to operate
 Material: PP, aluminum
 ON/OFF switch
 Fun and easy to operate
 Make healthy and tasty snack for whole family

Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-3063

One click start, simple operation
15s quick steam
Compact and easy to carry
Stainless steel panel
Drip proof design / 360 ° Quick wrinkle removal
Suitable for a variety of fabrics

SK-GT-3065

Steamer reheats in only 30 seconds, with detachable 120ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-GT-3065

Steamer reheats in only 30 seconds, with detachable 120ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-GT-3065

Steamer reheats in only 30 seconds, with detachable 120 ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-GT-3065W

Steamer reheats in only 30 seconds, with detachable 120 ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-3067

Steamer reheats in only 30 seconds, with detachable 300ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-3080

Steamer reheats in only 30 seconds, with detachable 250ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-3064

One click start, simple operation
 Large soleplate ironing /15s quick steam
 Compact and easy to carry / 70ml water tank
 360 ° Quick wrinkle removal
 Suitable for a variety of fabrics

SK-3070

One button water spray
 Compact and easy to carry
 360 ° dead angle ironing
 MCH ceramic sheet heating
 Integrated water tank design

AJ-2205

Steamer reheats in only 30 seconds, with detachable 250 ml water tank for 6 minutes of continuous steaming.
 Steam any fabric from cotton, wool, silk, fiber etc.
 Wrinkle free, Cleanse and refresh
 Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-3072

Steamer reheats in only 30 seconds, with detachable 260 ml water tank for 6 minutes of continuous steaming.
 Steam any fabric from cotton, wool, silk, fiber etc.
 Wrinkle free, Cleanse and refresh
 Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-11002

Steamer reheats in only 30 seconds, with detachable 300ml water tank for 6 minutes of continuous steaming.
 Steam any fabric from cotton, wool, silk, fiber etc.
 Wrinkle free, Cleanse and refresh
 Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-12003

Steamer reheats in only 30 seconds, with detachable 260ml water tank for 6 minutes of continuous steaming.
 Steam any fabric from cotton, wool, silk, fiber etc.
 Wrinkle free, Cleanse and refresh
 Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

DF-016

Water capacity-100ml
Automatic continuous steam supply
Through electric pump 2.0BAR
Quick heating within 45 sec
Continuous steam-up to 20g/min
Cord length 2.5m

YB-888

Steamer reheats in only 30 seconds, with detachable 70 ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-YD-2130

Steamer reheats in only 30 seconds, with detachable 120 ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

BY-2178

Steamer reheats in only 30 seconds, with detachable 110 ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

A8

One click start, simple operation
500ml water tank
Can be disinfected
Can boil eggs
360 ° Quick wrinkle removal
Suitable for a variety of fabrics

ZJ-108

Steamer reheats in only 30 seconds, with detachable 260ml water tank for 6 minutes of continuous steaming. Steam any fabric from cotton, wool, silk, fiber etc. Wrinkle free, Cleanse and refresh
Burst of Steam: Hit the steam trigger to generate a powerful burst of steam that blasts away wrinkles

SK-4002

1.6L capacity removable water tank heats up in 45seconds and provides continuous steam for up to 45 minutes.
 100% Chemical Free - Use the power of steam for an all-natural garment care that is more effective and gentler than ironing.
 Wrinkle Removal and Freshening - Removes wrinkles and odors from clothes, sheets, curtains, upholstery, and more.

SK-4007

2.2L capacity removable water tank heats up in 45seconds and provides continuous steam for up to 45 minutes.
