Company Profile

HuangShi brilliant International Trade Co., LTD

Founded on July 17, 2014, the headquarters is located in Urumqi, "the heart of Asia", the main business of small household appliances at home and abroad trade and production business, products are exported to Russia and five Central Asian countries, the same year founded its own brand "HALEY".

The company integrates R&D, design, manufacturing, logistics, sales and service, and then opens a branch in Yiwu City, the "world capital of small commodities" to expand its business to Southeast Asia, the Middle East and Africa. In the era of "Internet +", it sets up a subsidiary in Changsha to expand its e-commerce platform business.

The brand promotes the multi-channel marketing model by entity operation, internet marketing cross-border and e-commerce among the domestic and foreign trade.

HALEY brand takes it as mission to meeting user needs and focuses on product development and innovation. The main products include electric kettles, vacuum cleaners, electric irons, water boilers, barbecue machines, juicers, electric heaters, gas stoves, electric ceramic stoves, rice cookers, tableware, etc. HALEY brand's current business covers more than ten countries and regions, and it is still continuously expanding its global business.

DEVELOPMENT COURSE

2002–2014

It starts doing small home appliances from domestic sales and distribution business to open the export trade step by step .

2015

In the spring of 2015, we developed export business among Middle Asia market.The products have successfully entered the markets among Russia, Kyrgyzstan,Kazakhstan,Uzbekistan and other countries,and become popular there.

2014

In 2014, Huang's Brilliant Company was founded!In the same year, "HALEY " brand was established too. At the beginning of its establishment, "HALEY" formulated a developing strategy of Independent development and the creation of national brands

2016

For 2016, a year of rapid development: the expansion of the factory, scale further expanded, switching from mostly outsourced processing to independent production,it comes to the forefront on small home appliances of the five countries in Central Asia.

2017–2018

In 2017,an overseas design branch was established to help the department develop home appliances specifically for local consumption.HALEY now mass products home appliances with different functions and specifications for specific consumer needs in Middle Asian countries.

2019–2022

In 2019, the company implemented ERP refined management, locked in the total order amount and gross profit margin risk control while the order volume grew steadily. HALEY continued to develop new products, and the production line continued to be enriched. Vacuum cleaners, rice cookers and so on became new growth points. The company entered the cross-border e-commerce market and jumped to the top 10 in just one month after going online.

2023–2026

The company restart HALEY brand image has been fully upgraded. In order to better bring reliable and convenient life to users, a one-year brand upgrade project has been implemented to create a modern, fresh and bright brand image that will meet consumers' future expectations.

Electric Iron Series

HY-2080 ELECTRIC IRON

CONFIGURATION INFORMATION

- Features
Dry ironing/spray/continuous steam/vertical steam/explosive spray/automatic cleaning/anti-calcification/with overheating safety protection/visual steam setting display/temperature + steam LED indicator/8 Minute automatic shut-off function/Removable water tank/Cable storage
- Power
2600W
- Water tank
220-240V~50/60Hz
- Power cord
1.8 m power cord 360 Swivel cord
- Weight
4.4kg

Electric Iron Series

HY-2082 ELECTRIC IRON

CONFIGURATION INFORMATION

- Power
2400W
- Voltage
220-240V 50-60Hz
- Main functions
Functions: Dry/Spray/Motion sensor steam/Burst steam/Vertical steam
Soleplate: Crystal Ceramic-ultra resistant ceramic coating
Easy sliding and fabric protection
High accurate temperature control
Overheat safety protection circuit
Variable temperature control
Self-cleaning function
Heat indicator
Big filling hole
1.8 m power cord
360 Swivel cord
Comfortable rubberized handle, rubber temperature knob
Burst of steam rate: 1.0g/time
Continuous steam rate: 35-45g/min

- Water tank
Non-removable water tank: 380 ml
- Product weight
1.65kg

Electric Iron Series

HY-2071

ELECTRIC IRON

CONFIGURATION INFORMATION

●Functions:

Dry/SprayMotion sensor steam/Burst steamVertical steam

●Soleplate:

Crystal Ceramic-ultra resistant ceramic coating
 · Easy sliding and fabric protection
 · High accurate temperature control
 · Overheat safety protection circuit
 · Variable temperature control
 · Self-cleaning function · 360° Swivel cord
 · Heat indicator · Big filling hole · 1.8 m power cord
 · Comfortable rubberized handle, rubber temperature knob

●Burst of steam rate
1.0g/time

●Continuous steam rate
35-45g/min

●Water tank capacity
500ml

●Maximum Power
2400W

●Voltage
220-240V-50/60Hz

Electric Kettle Series

HY-8979 ELECTRIC KETTLE

CONFIGURATION INFORMATION

- Power
1800W
- Capacity
2.2L
- Material
Food grade stainless steel
- Power cord
0.75m
- Weight
1.32kg

PRODUCT SELLING POINTS

- Food grade stainless steel
- Double-layer scalding insulation
- High power fast heating
- 3-way auto shut-off.
 - upon boiling- boil
 - dry protection
 - when taken off the base
- 360 degree rotating base
- Cord storage compartment

HY-8880 ELECTRIC KETTLE

CONFIGURATION INFORMATION

- Power
1800W
- Capacity
2.5L
- Material
304 food grade filter, Stainless steel housing
- Power cord
0.75m
- Weight
1.4833kg

PRODUCT SELLING POINTS

- 1.2.5 litre large capacity. Meet your family's drinking water needs
2. Turn the power cord base 360 degrees.
- 3 Food grade material. Health is more assured
4. High-power fast boiling water to eliminate semi-raw water

HY-8987 ELECTRIC KETTLE

CONFIGURATION INFORMATION

- Voltage:
220-240V,50/60HZ
- Power:
1500W
- Capacity:
1.5 L
- Food grade stainless steel
- Double-layer scalding insulation
- High power fast heating
- 3-way auto shut-off:
 - upon boiling
 - boil
 - dry protection
 - when taken off the base
- 360 degree rotating base
- Cord storage compartment

Electric Fan

HY-6026

MOBILE COOLING AND HEATING FAN

CONFIGURATION INFORMATION

- Dual-use for cooling and heating
- Cooling power: 60W
- Heating power: 1800W
- 3L water tank
- Bladeless air outlet
- 120° rotating air supply
- 3-speed wind adjustment
- 2-speed heating power, instant heating
- Ultrasonic atomization, warm but not dry
- UV germicidal lamp
- Two-color lights (cool blue, warm red)
- Remote control
 - 9-hour timer
 - Heating wire element
- Dual ice crystal cooling
- Overheat protection
- 220-240V50/60Hz

Vacuum cleaner Series

HY-3912 FABRIC CLEANING MACHINE

CONFIGURATION INFORMATION

- **Power:**
750W
- **Voltage:**
111V~240V
- **Water tank capacity:**
Wastewater tank 800 ml
Cleanwater tank 1080 ml
- **Power cord plug:**
European standard plug.
- **Hose/Line Length:**
1.2m hose/5m powercord
/0.2m brush
- **Product size:**
26.50*37*38cm

Vacuum cleaner Series

HY-9905 VACUUM CLEANER

CONFIGURATION INFORMATION

- **Power**
Actual power 1600W, color box label 3000W
- **Voltage**
220~240V~50/60HZ
- **Material**
spray paint gray + spray paint orange + spray paint silver
(all paint) color, transparent gray dust cup, telescopic
steel pipe, 5# plastic floor brush (efficient), silver hose
- **Power cord plug**
4.2m long power cord with VDE plug,
- **Function**
with automatic winding function, speed regulation,
temperature control,
- **Product size**
432*288*332

HY-9936

VACUUM CLEANER

CONFIGURATION INFORMATION

- Wet and dry vacuum cleaner
- 25L dust capacity
- Thickened stainless steel barrel
- Hurricane strong suction
- Complete accessories included, easy to assemble
- Wheel-mounted base, flexible and stable
- Full dust indicator
- Maximum power: 3500W
- 220-240V,50/60Hz

HY-3951

3IN 1 CORDLESS FLOOR CLEANER

CONFIGURATION INFORMATION

- AC100-240V~50/60Hz , 200W
- 2600mAh lithium battery
- Full copper motor more stable
- 850ml Dirty water tank
- 1000ml Clean water tank
- Intelligent voice prompt
- Light weight design
- No wires more freedom
- Both wet and dry functionality
- LED screen
- Self cleaning

HY-3906

HANDHELD VACUUM CLEANER

CONFIGURATION INFORMATION

- | | |
|--|--|
| ●Material
100% new material | ●Plug
GS plug adapter |
| ●Configuration
1 conductive straight tube,
1 two-in-one long flat suction,
1 simple hanger, 1 floor brush with
LED light, 1 charger (VDE plug) | ●Vacuum degree
9-13Kpa |
| ●Voltage
22.2 V removable Li-ion battery | ●Color
Black |
| ●Power
300W | ●Product color
The main unit is injection
molded black, and the small
parts are spray-painted
crystal silver |

HY-1503

VACUUM CLEANER

CONFIGURATION INFORMATION

- **Case color:**
Spray-painted Bold Red +11C (dark grey)
- **Power and speed control No**
1400W adjustable
- **Motor and noise**
aluminum motor 86dB
- **Function and dust storage type**
dry dust cup type 2.0L
- **Filter element and afterfilter**
cyclone dust + high density filter cotton
- **Floor brush and wire:**
ordinary brush +2 in 1 small brush 4.2M full copper wire
- **Straw material:**
EVA tensile lift hose +2 sections of telescopic metal pipe
- Product size:**
380*290*255MM

HY-9908

VACUUM CLEANER

CONFIGURATION INFORMATION

- **Power:**
actual power 1200W, high efficiency motor (and ordinary motor 1800W equivalent)
nominal power 3000W
- **Voltage:**
220~240V~50/60HZ
- **Material:**
body injection gray + dust cup cover/dust cup button/speed control knob/handle cover/handle bottom (spray blue) + injection molding base black + rear wheel frame (injection blue), transparent dust cup, telescopic steel pipe, 5# plastic floor brush, silver hose
- **Power cord plug:**
4.2m long power cord with VDE plug
- **Function:**
With automatic coil function, speed regulation, with temperature control

Coffee maker Series

HY-2837 ESPRESSO MACHINE

CONFIGURATION INFORMATION

- Espresso coffee+Cappuccino maker
- 20 bar powerful pressure pump
- Thermo-block instant heating system
- 51mm porta filter
- 2L detachable water tank
- 500ML milk tank
- Diecast aluminium porta filter
- Modern design with full metal SUS 304 housing
- 220-240V, 50/60Hz, 1500W

HY-2835 COFFEE MAKER

CONFIGURATION INFORMATION

- Power: 1350 watts
- 20Bar high pressure pump
- 1.8 L detachable transparent water tank

PRODUCT SELLING POINTS

- Die-casting aluminum alloy boiler
- Aluminum alloy filter holder attached with dual-stainless filter to improve coffee quality
- Safe and reliable, with overheating and over pressure protected device
- Detachable frothing nozzle and drip tray for easy cleaning
- Durable stainless cup mat for coffee cups preheating
- Removable drip tray with water level indicator
- Standard accessories: one-cup filter, two-cup filter, pusher

HY-2827

COFFEE MAKER

CONFIGURATION INFORMATION

- Power: 1600 watts
- 20Bar high pressure pump
- 2.0L detachable transparent water tank

PRODUCT SELLING POINTS

- Die-casting aluminum alloy boiler
- Aluminum alloy filter holder attached with dual-stainless filter to improve coffee quality
- Safe and reliable, with overheating and over pressure protected device
- Detachable frothing nozzle and drip tray for easy cleaning
- Durable stainless cup mat for coffee cups preheating
- Removable drip tray with water level indicator
- Standard accessories: one-cup filter, two-cup filter, pusher

Stand Mixer Series

HY-2420 STAND MIXER

CONFIGURATION INFORMATION

Accessories: Egg whisk with stainless steel 304 wire, aluminum alloy dough hook and mixing blade

Special features:

12 speed

10L SUS 304 mixing bowl

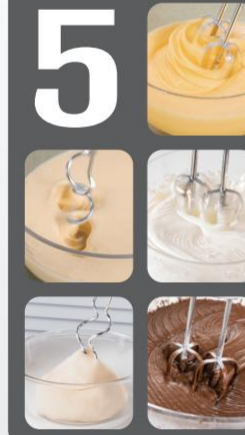

Colorful touch screen with three auto programs

Integrated scale can weigh ingredients from 0 gram to 5000 gram

Fermentation to ferment dough from 25°C to 45°C

Five-gear
speed regulation

5

HY-1636 EGG BEATER

CONFIGURATION INFORMATION

●Gear:

5 speed control, gear acceleration

●Motor:

5535 copper-clad aluminum motor

●Material:

new ABS plastic

●Accessories:

one pair of iron electroplated whisk, one pair of flour whisk.

●Actual power:

300W color box label 500W.

●Function:

beat eggs, mix noodles

Stand Mixer Series

HY-2418 STAND MIXER

HY-2406 STAND MIXER

CONFIGURATION INFORMATION

- 220V-240V, 50-60Hz
- Capacity: 12L
- Power: 2500W
- Accessories: Metal whisk attachment, aluminum dough hook, and beater
- Highlights: Touch control display with 3 automatic programs
- Stainless Steel Bowl: 12L, 304-grade stainless steel
- Gear System: 9-speed + P (Pulse) gear
- Construction: All-metal gears and metal gear ring
- Maximum Dough Capacity: 4KG (2500g flour + 1500g other ingredients)

PRODUCT SELLING POINTS

12L large capacity. Meet different needs stainless steel body shell 9 speed 2500W high power

CONFIGURATION INFORMATION

- Make all kinds of cakes, breads, salads, you can beat egg whites and cream
- Stainless steel 8L mixer bowl
- Speed setting: 6 speed with turbo
- LED light of switch
- Three sets of spare parts (dough hook, flat beater, wire whip)
- Low noise design
- Detachable parts easy to clean
- Planetary rotation with anti-leaking design for mixing thoroughly
- Non-slip rubber feet
- Lifting mechanism with safety switch for using safely and easily
- Power: 1200 W
- Mixer accessories, Minced meat accessories

Electric Cooktop Series

HY-1811 ELECTRIC COOKTOP

CONFIGURATION INFORMATION

- **Material:**
wood grain electric clay oven
- **Power:**
color box mark 3500W
- **Plug:**
VED plug

PRODUCT SELLING POINTS

1. Ultra long timing, LED display
2. Intelligent growth heating, Multi-gear fire control

HY-1815 ELECTRIC COOKTOP

CONFIGURATION INFORMATION

- **Power**
Color box mark 3500W
- **Plug**
VED plug

PRODUCT SELLING POINTS

- 1. 3500W high power heating fast delicious quick
- Intelligent touch panel. One touch sensitive override
- No stoves. No limits on delicious
- Double control operation. Multi-gear fire to adjust
- No high frequency radiation more assured
- Waterproof design for easy cleaning

3500W ultra heating power, cooking has never been so easy

HY-530

DOUBLE ROD HANGING IRON

CONFIGURATION INFORMATION

- Material:
100% new material
- Water tank size:
1600ml
- Steam flow rate:
38g/min
- Voltage:
220~240V~50Hz
- Power:
2200W
- Steam outlet temperature:
98℃
- Preheating time:
35 seconds

PRODUCT SELLING POINTS

Clothes suitable for a variety of materials:
cotton,hemp,silk, fiber,polyester,nylon

HY-325

HANDHELD GARMENT STEAMER

CONFIGURATION INFORMATION

- Material:
100% new materia
- Configuration:
2 brushes/water cups
- Water tank:
280ML
- Voltage:
AC230V 50Hz
- Power:
1500W
- Plug:
VDE plug
- Power cordlength,material, color:
Power cord exposed 1.8 meters
(total length 1.93 meters) /ABS, PC, PP
/Gray + decorative ring chrome

HY-304

HANDHELD GARMENT STEAMER

CONFIGURATION INFORMATION

- Product size:
17x12x29CM
- Voltage:
220~240V 50/60Hz
- Power:
1500W
- Specification:
Water tank capacity 300ML
- Basicfeatures:
Automatic power off and anti-drip function
Stainless steel ironing panel
- Accessories:
Brush/mesh brush

1500W

Juicer Machine Series

HY-600 JUICER MACHINE

HY-601 JUICER MACHINE

CONFIGURATION INFORMATION

- **Package weight**
4.8kg
- **Gear design**
Forward/reverse
- **Bare weight**
4.0kg
- **Rated power**
150W
- **Running sound**
about 60db
- **Rated voltage**
220v-50Hz
- **Product size**
23*14*43cm
- **Food grade material**
304 stainless steel
- **Filter material**
304 stainless steel
- **Length of power cord**
90cm

PRODUCT SELLING POINTS

- The 7-stage spiral extrudes juice at a higher rate.
- Automatic separation of residue juice. Direct pressing without adding water.
- Stainless steel filter. Filter residue juice separation extract pure juice
- Baby food grade material. The safety latch design doesn't need to worry about your baby's hands reaching into it.

CONFIGURATION INFORMATION

- **Material**
stainless steel body
- **Specification**
75mm large diameter
- **Voltage**
220V
- **Plug**
European plug

PRODUCT SELLING POINTS

- The juice yield is 97%
- Non-slip pad at bottom
- Using the machine is quiet

HY-989

JUICER MACHINE

CONFIGURATION INFORMATION

●Power

800W

●Configuration

SM8827 all-copper motor two-speed large body decorative shell SUS304 Sanding handle, knob spray gold paint, juice nozzle SUS304 1.5L juice cup

●Power cord

power cord greater than or equal to 1 meter,

●Plug

VDE tool plug

PRODUCT SELLING POINTS

70mm large diameter, high juice yield, enjoy the taste of fresh fruit

Durable. Safe and healthy.

Juicer Machine Series

HY-2702

WALL BREAKER 3 IN 1

CONFIGURATION INFORMATION

●Capacity:

3.0 L.

●Material:

9525 copper-clad aluminum motor. Cup body material PET resin

●Power:

color box mark 5500W

●Power cord plug:

exposed 90-100cm VDE plug

●Gear position:

15 gear position

PRODUCT SELLING POINTS

The stainless steel base is beautiful and generous, the 3-liter large capacity is convenient and fast, and the three kinds of measuring cups meet the different needs of the family

Meat grinder Series

HY-1308 MEAT GRINDER

HY-1310 MEAT GRINDER

CONFIGURATION INFORMATION

- **Plug:**
VDE plug,
- **Power:**
1200W
- **Material:**
All copper wire motor, metal joint, metal wave box, stainless steel plating panel, with reverse function.
- **Accessories:**
Three knife plates with enema, + blade + enema mouth + cookie kit

PRODUCT SELLING POINTS

Metal joint Stainless steel body Metal large, medium and small meat plate, enema

CONFIGURATION INFORMATION

- **Material:**
Silver-sprayed housing, 8825 all-copper motor
- **Power:**
3000W
- **Switch:**
with reverse opening and overload protection switch,
- **Accessories:**
1 4-blade knife + 3 blades, metal gear box, with enema

PRODUCT SELLING POINTS

Aluminum alloy tray. No rust easy to clean. Large capacity
Dual shift switch knob. Dual shift adjustable.
Metal body. Brushed appearance. Easy to clean, generous and beautiful, leaving no trace
Bottom heat dissipation accelerates heat dissipation. Prevent overheating damage

Hand Blender Series

HY-1016 4 IN 1 MIXING STICK

CONFIGURATION INFORMATION

Mixing stick set

- DC motor, voltage:
- 2 speeds control: Regular and Fast
- Food grade stainless steel stirring rod
- One-handed operation easy to use
- D/C motor, high powerful
- 650ml blender jar
- With chopper & whisk
- Anti-splash net cover
- Cross shaped stainless steel stirring blade
- Detachable structure, one-step replacement
- 220-240V-50/60Hz 1600W

HY-1112 SINGLE BAR MIXER

CONFIGURATION INFORMATION

●Voltage

220-240v, 50/60Hz

●Power

400W

●Configuration

5724 motor, two speed, stainless steel small straight rod, blade head

●Power cable

1.00m exposed

PRODUCT SELLING POINTS

1.400W professional high power motor. Permanent employment

2.High temperature food grade safety material. Be assured and reliable

HY-1018 4 IN 1 MIXING STICK

CONFIGURATION INFORMATION

●Voltage

220-240V

●Power

400W

●Configuration

DC motor, speed adjustment, two long and two short cross knives, stainless steel color

●Capacity

500ML

●Accessories

Chopper, egg beater, 650ML AS measuring cup

Barbecuing machine Series

HY-8601/8 BARBECUING MACHINE

CONFIGURATION INFORMATION

Material: case color (metallic), bottom ring spray paint (black or white); With switch, stainless steel heating tube, spiral shape.
Wire: 3*075mm pure copper PVC wire, the total length is 1.2 meters,
Plug: VDE plug,
Voltage: 220-240V /50Hz with 8 baking sticks,
Power: 1200W

PRODUCT SELLING POINTS

One-button switch for easy operation. Stainless steel heater is durable

Electric Barbecue Grill

HY-8611 Electric Barbecue Grill

CONFIGURATION INFORMATION

- Voltage: 220-240V~ 50/60Hz
- Power: 2000W
- Grill rack / Aluminum grill plate
- High heat power
- Non-stick coating
- Easy to clean

Toaster
Series

HY-9601
TOASTER

HY-9603
TOASTER

CONFIGURATION INFORMATION

- **Voltage:**
220-240V
- **Power:**
650-800W
- **Plug:**
VDE plug (3*0.75mm *0.9m)
- **Function:**
Double side stainless steel with timed automatic ejection and automatic closing of anti-card protection strap stop function with breadcrumb tray
- **Product size:**
23X124X16CM

PRODUCT SELLING POINTS

Simple operation, complete functions and easy to use

Microwave Series

HY-0019
MICROWAVE

CONFIGURATION INFORMATION

- Product size:

W456*H264*D353 2. Inner furnace anti-enamel inner tank glass size 255mm

●Voltage/frequency:

220v, 50HZ

●Power:

700W-1100W

●Volume:

20L
- Material:

White shell, imitation enamel furnace gail, electroplated handle, electroplated knob. White knob patch, white control box, mirrored glass

●Power cord length and color:

85cm black

●Plug:

VDE plug

PRODUCT SELLING POINTS

Convenient knob control multi-gear fire adjustment flexible timing cooking

1200W microwave quick heat 360 degrees rotation heating to make food heat evenly

20 liters of food capacity to meet the needs of friends and family dinner

The large Angle door is convenient for food picking and placing

Four safety non-slip mat, stable position does not shift

Anti-enamel inner furnace for easy cleaning, 3D circulation refraction uniform heating to retain nutrients

Convenient handle door + simple high appearance level design

Electric furnace Series

HY-1892

SINGLE-HEAD
ELECTRIC FURNACE

CONFIGURATION INFORMATION

- Voltage:
220V~240V50/60HZ.
- Power:
1500W
- Power cable:
3*0.75mm*1m, all copper wire

Electric furnace Series

HY-1893

DOUBLE-HEAD
ELECTRIC FURNACE

CONFIGURATION INFORMATION

- Voltage:
220V~240V50/60HZ.
- Power:
2500W
- Power cable:
3*1.0mm*1m, all copper wire

Защита от перегрева
Совместимость различной посуды
Равномерный нагрев
Нет высокочастотного излучения

deep fryer Series

HY-2506 DEEP FRYER

4L Capacity

ELECTRIC COOKER

Multiple usage modes

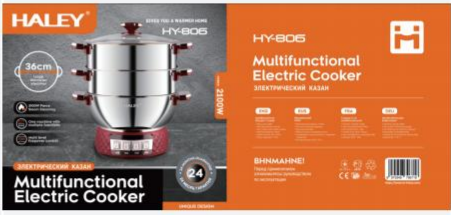

CONFIGURATION INFORMATION

- Power
1200W
 - Main functions
 - 5+3L High-capacity
 - Level 3 accurate control firepower Customized cuisine
 - Steam fresh on top and stew on the bottom Time saving cuisine
 - Paired with stainless steel steaming compartment, larger capacity for steaming more
 - Used for food contact, steaming without odor, durable and rust free
 - Food does not stick to the inner container, easy to clean and effortless
- Voltage
220-240V 50/60Hz
 - Product weight
1.63 kg

Coffee Beangrinder Series

HY-2121

STAINLESS STEEL
COFFEE BEAN GRINDER

CONFIGURATION INFORMATION

Capacity 75 g
Safety lock system
Pulse operating mode
Stainless steel grinding blade
On/Off button for easy operation
AC220-240V-50-60Hz,200W

HY-2106

BEAN GRINDER

CONFIGURATION INFORMATION

● **Capacity:**
Actual capacity 50G color box label 80G
● **Material:**
201 stainless steel, 5415 copper rotor motor
● **Power:**
actual 150V, color box mark 200V
● **Power cord:**
2*0.5 copper-clad aluminum, total length 1.2M
● **Accessories:**
blade

Hairdressing Series

HY-4514 PROFESSIONAL HAIR CLIPPER

PRODUCT SELLING POINTS

- 1300mAh lithium battery
- Charging time: 2 hours
- Maximum usage time: ~150 minutes when fully charged
- Built-in charging indicator light
- Steel wide blade
- 5 adjustable cutting lengths
- Type-C fast charging
- Rated voltage: 3.7V
- Rated power: 5W

HY-4008 6in1 CURLY HAIR STICK

CONFIGURATION INFORMATION

- Power: 1200W
- Voltage: 220-240V, 50-60Hz
- Use hooks to prevent overheating. Rotate the power cord.

HY-4011 HAIR DRYEN

CONFIGURATION INFORMATION

- Power: 2800W
- Voltage: 220-240V

PRODUCT SELLING POINTS

- 2.2-meter power cord
- Intelligent temperature control technology
- Three levels of precise temperature
- Detachable filter
